Client - Freshworks

Location - Global Infocity - 4 th Floor

Scope - HVAC Lowside works including Dx systems for Critical Room

PUDUKUPPAM - GROYNES WORK BAR MOUTH PROTECTION

VELLAR BARMOUTH

An aerial photograph showing a coastal area with a large number of colorful fishing boats (mostly blue, green, and yellow) moored along a concrete pier. The pier extends from a sandy beach area towards the sea. To the right of the pier, there are several buildings, including a large white structure with a red roof, and a residential area with many small houses and palm trees. The sea is blue and calm, with a few more boats visible in the distance. The sky is clear and blue.
